

# MCN INDEX

Index to Volume 19  
January to December 1994

Frederick W. Pattison,  
MSLS Indexer

## BY SUBJECT

### A

#### Adolescence

Recognizing depression in the adolescent (Morgan) 148

#### Advanced Practice Case Report

A case study: organic acidemia (Mitchell, Steffenson, Hogan) 325  
Administration of infant formula through the intravenous route: consequences and prevention (Huddleston, Creekmore, Wood) 40

#### Advanced Practice Nursing

Advanced practice nurses in an environment of health care reform (O'Connor) 65  
Advanced practice nursing (ed) 5  
Keeping expert nurses expert (Fein) 305

#### Aspirin

Can aspirin prevent and treat pre-eclampsia? (Hines, Jones) 258

#### Asthma

Beta<sub>2</sub> agonists and maintenance drugs in the treatment of asthma (Corbett, Yaros) 352

#### Audiotapes

Relaxation therapy for children and families (Durham, Frost-Hartzer) 222

### B

#### Botulism, Infant

Infant botulism (Bechler-Karsch, Berro) 275

### C

#### Cardiac

Phenytoin: it's not just for seizures anymore (Morse, Zeigler) 33

#### Cataracts, Congenital

Treating congenital cataracts (Syman-ski, Newman, Bachynski) 335

#### Child Abuse

Munchausen syndrome by proxy (Smith, Killam) 214

#### Child Development Disorders

Early childhood intervention: the law (Jenkins, Covington, Plotnick) 135

#### Child, Hospitalized

Avoiding collisions with challenging families (Baker) 97

Relaxation therapy for children and families (Durham, Frost-Hartzer) 222

Teddy Bear clinics: a huge community project (Santen, Feldman) 102

Using the Oucher developmental approach to pain assessment in children (Knott, Beyer, Villarruel, Denyes, Erickson, Willard) 314

#### Childbirth

An alternative to meet the needs of early discharge: the tender beginnings postpartum visit (Weinberg) 339

Latinas' expectations for their partners during childbirth (Khazoyan, Anderson) 226

Short, shorter, shortest: improving the hospital stay for mothers and new-

borns (McGregor) 91; letter 256

#### Chronic Disease

Support groups: working side by side with parents (Coffman, Edwards, Piskosz) 281

#### Clinical Investigation

Involving staff nurses in research: a practical approach (Wilkinson-Faulk, Smith) 193

Nursing research: everybody's business (Price, Catania, Eshelman, Mazzaferri, Tinker, Wesolowski) 9

#### Collaboration

Collaboration: a key to successful patient teaching (Barnes) 199

High-risk/high reward: collaborative planning for critically ill obstetrical patients (Mullaly, Belgrave, Wentzel) 202

#### Computers

MCN computer journal club 161

#### Critical Illness

Administration of infant formula through the intravenous route: consequences and prevention (Huddleston, Creekmore, Wood) 40

Critical pathways in the intensive care and intermediate care nurseries (Thompson) 29

Fetal and uterine response during maternal surgery (Kendrick) 165

High-risk/high reward: collaborative planning for critically ill obstetrical patients (Mullaly, Belgrave, Wentzel) 202

#### Crossword Puzzle

A crossword quiz: electronic fetal monitoring (Wells, Krutinger) 230

Cr.....C.....Cr.....W.....(Critical care crossword) (Talavina-Pasek) 38

### D

#### Depression

Recognizing depression in the adolescent (Morgan) 148

#### Diabetes, Gestational

Gestational diabetes: teaching aspects of self-care (Barnes) 175

#### Domestic Violence

Domestic violence made real (ed) 301

Preventing abuse during pregnancy: an assessment and intervention protocol (McFarlane, Parker) 321

#### Drug Therapy

Beta<sub>2</sub> agonists and maintenance drugs in the treatment of asthma (Corbett, Yaros) 352

Can aspirin prevent and treat pre-eclampsia? (Hines, Jones) 258

Keeping up with neonatal infection: designer bugs, Part II (Lott, Kenner) 264

Ketorolac: a new drug for relief of acute pain (Corbett, Lagana) 240

Phenytoin: it's not just for seizures anymore (Morse, Zeigler) 33

Prostaglandins: a variety of uses for clinical practice (Corbett, Akin) 128

Update on initial pharmacological treatment for hypertension (Corbett) 184

Update on metoclopramide (Reglan) (Corbett, Yaros) 296

### E

#### Electronic Fetal Monitoring

A crossword quiz: electronic fetal monitoring (Wells, Krutinger) 230

#### Editorials

Advanced practice nursing 5

Connecting... 245

Domestic violence made real 301

Immunization—a preventive measure 61

Oh, those ethical dilemmas 133

Those lazy, hazy, crazy days of summer 189

#### Enteral Feeding Pumps

How well do enteral feeding pumps perform? (Ferraro-McDuffie, Huddleston, Smith, Karotkin, Gardner) 144

#### Ethics, Nursing

Oh, those ethical dilemmas (ed) 133

### F

#### Fetal Response

Advanced techniques for the treatment of severe isoimmunization (Vomund, Witter) 18

Fetal and uterine response during maternal surgery (Kendrick) 165

#### Folic Acid

Folic acid will reduce risk of neural tube defects (Romanczuk, Brown) 331

#### Formula, Infant

Administration of infant formula through the intravenous route: consequences and prevention (Huddleston, Creekmore, Wood) 40

### G

#### Genetics

A case study: organic acidemia (Mitchell, Steffenson, Hogan) 325

Menkes Kinky Hair Disease (Martin, McNemar, O'Brien) 162

#### Guided Imagery

Relaxation therapy for children and families (Durham, Frost-Hartzer) 222

### H

#### Haemophilus Influenzae Type B

HIB: a new conjugate and a combination vaccine (Sharts-Hopko) 56

#### Health Care Reform

Advanced practice nurses in an environment of health care reform (O'Connor) 65

Congressional health reform proposals (Rhodes) 197

Issue update: health reform (Rhodes) 181

#### Hypertension

Can aspirin prevent and treat pre-eclampsia? (Hines, Jones) 258

Update on initial pharmacological treatment for hypertension (Corbett) 184

### I

#### Immunization

ACIP-approved changes to immunization schedule (Goggin) 200

Breaking down the barriers 80

Current immunization guidelines (Sharts-Hopko) 82

HIB: a new conjugate and a combination vaccine (Sharts-Hopko) 56

Immunization—a preventive measure (ed) 61

Practical hints (Cazzolli) 288

Standards for pediatric immunization practice 79

What pediatric hospital nurses know about immunization (Dixon, Keeling, Kennel) 74

#### Infant Death

Impressioning: a way to preserve memories (Brown, Kozick) 285

#### Infant, Newborn

Infant care: teaching the basics (Barnes) 47

Keeping up with neonatal infections: designer bugs, Part I (Lott, Kenner) 207; Part II 264

Short, shorter, shortest: improving the hospital stay for mothers and newborns (McGregor) 91; letter 256

Treating congenital cataracts (Syman-ski, Newman, Bachynski) 335

#### Intermediate Care Nurseries

Critical pathways in the intensive care and intermediate care nurseries (Thompson) 29

#### Interviewing Skills

Strategies for using interviewing skills in patient teaching (Barnes) 311

Useful tools in patient teaching—interviewing skills (Barnes) 289

#### Intravenous Feeding

Administration of infant formula through the intravenous route: consequences and prevention (Huddleston, Creekmore, Wood) 40

Involving staff nurses in research: a practical approach (Wilkinson-Faulk, Smith) 193

### J

#### Jurisprudence

Access to legal resources (Rhodes) 17

Congressional health reform proposals (Rhodes) 197

Early childhood intervention: the law (Jenkins, Covington, Plotnick) 135

Issue update: health reform (Rhodes) 181

Locating case law (Rhodes) 107

Malpractice litigation (Rhodes) 257

Nursing malpractice litigation: a per-

Administration of infant formula through the intravenous route: consequences and prevention (Huddleston, Creekmore, Wood) 40  
Involving staff nurses in research: a practical approach (Wilkinson-Faulk, Smith) 193

### J

#### Jurisprudence

Access to legal resources (Rhodes) 17  
Congressional health reform proposals (Rhodes) 197  
Early childhood intervention: the law (Jenkins, Covington, Plotnick) 135  
Issue update: health reform (Rhodes) 181  
Locating case law (Rhodes) 107  
Malpractice litigation (Rhodes) 257  
Nursing malpractice litigation: a per-

sonal journey (Sorich, Letizia) 249  
Personal liability insurance (Rhodes) 309

## K

### Ketorolac

Ketorolac: a new drug for relief of acute pain (Corbett, Lagana) 240

### Kinky Hair Syndrome

Menkes Kinky Hair Disease (Martin, McNemar, O'Brien) 162

## L

### Latinas

Latinas' expectations for their partners during childbirth (Khazoyan, Anderson) 226

## M

### Malpractice

Malpractice litigation (Rhodes) 257  
Nursing malpractice litigation: a personal journey (Sorich, Letizia) 249  
Personal liability insurance (Rhodes) 309

### Maternal Surgery

Fetal and uterine response during maternal surgery (Kendrick) 165

### MCB Convention

1994 photo contest winners 172

### Menkes Syndrome

Menkes Kinky Hair Disease (Martin, McNemar, O'Brien) 162

### Metoclopramide

Update on metoclopramide (Reglan) (Corbett, Yaros) 296

### Mementos

Impressioning: a way to preserve memories (Brown, Kozick) 285

### Mothers

An alternative to meet the needs of early discharge: the tender beginnings postpartum visit (Weinberg) 339  
Munchausen syndrome by proxy (Smith, Killam) 214  
Short, shorter, shortest: improving the hospital stay for mothers and newborns (McGregor) 91

### Munchausen Syndrome by Proxy

Munchausen syndrome by proxy (Smith, Killam) 214

## N

### National Vaccine Advisory Committee

Standards for pediatric immunization practice 79

### Neonatal Infection

Congenital syphilis: are we missing infected newborns? (Stepanuk) 272  
Keeping up with neonatal infections: designer bugs, Part I (Lott, Kenner) 207; Part II 264

### Neonatal Intensive Care

Administration of infant formula through the intravenous route: consequences and prevention (Huddleston, Creekmore, Wood) 40  
Critical pathways in the intensive care and intermediate care nurseries (Thompson) 29  
How well do enteral feeding pumps perform? (Ferraro-McDuffie, Huddleston, Smith, Karotkin, Gardner) 144  
Pain and pain relief in the neonate (Gardner) 85  
Treating congenital cataracts (Syman, Newman, Bachynski) 335

### Network (Department)

Booklet on phenylketonuria now available 70  
Collectible "clotter cards" 70  
Continuing the goals of the Vietnam Women's Memorial Project 292  
Equipment and supplies at minimum cost for nonprofit groups 111  
Extensive epilepsy education program to promote acceptance 110  
Family guide to prescription drugs 179  
Hospice reimbursement and financing guide available 110  
HUMOR project information 292  
Impact of violence on infants, toddlers, and their families 70  
Lucille Joel, past ANA president, joins AJN 70  
National Fragile X Foundation releases publication 292  
National Nurses week 70  
Report on legal ramifications of critical pathways 179  
Resource material from the Epilepsy Foundation 292  
Telephone conference call on pediatric HIV 178  
Two-part primer to bridge health and education system 111

### Neural Tube Defects

Folic acid will reduce risk of neural tube defects (Romanczuk, Brown) 331

### Nurse-Midwives

Keeping expert nurses expert (Fein) 305

### Nursing Staff

Involving staff nurses in research: a practical approach (Wilkinson-Faulk, Smith) 193  
Malpractice litigation (Rhodes) 257  
Nursing malpractice litigation: a personal journey (Sorich, Letizia) 249  
Personal liability insurance (Rhodes) 309

## O

### Obstetrical Nursing

An alternative to meet the needs of early discharge: the tender beginnings postpartum visit (Weinberg) 339  
Can aspirin prevent and treat pre-eclampsia? (Hines, Jones) 258  
Fetal and uterine response during maternal surgery (Kendrick) 165  
High-risk/high reward: collaborative planning for critically ill obstetrical patients (Mullaly, Belgrave, Wentzel) 202  
Keeping expert nurses expert (Fein) 305

Latinas' expectations for their partners during childbirth (Khazoyan, Anderson) 226  
Nursing malpractice litigation: a personal journey (Sorich, Letizia) 249  
Preventing abuse during pregnancy: an assessment and intervention protocol (McFarlane, Parker) 321

Short, shorter, shortest: improving the hospital stay for mothers and newborns (McGregor) 91; letter 256  
Supporting family functioning during a high-risk pregnancy (Stainton) 24

### Organic Acidemia

A case study: organic acidemia (Mitchell, Steffenson, Hogan) 325

## P

### Pain

Pain and pain relief in the neonate

(Gardner) 85

Ketorolac: a new drug for relief of acute pain (Corbett, Lagana) 240  
Using the Oucher developmental approach to pain assessment in children (Knott, Beyer, Villarruel, Denyes, Erickson, Willard) 314

### Patient Education

Collaboration: a key to successful patient teaching (Barnes) 199  
Gestational diabetes: teaching aspects of self-care (Barnes) 175  
Infant care: teaching the basics (Barnes) 47  
Infant care: teaching the basics, Part II (Barnes) 117  
Strategies for using interviewing skills in patient teaching (Barnes) 311  
Teddy Bear clinics: a huge community project (Santen, Feldman) 102  
Useful tools in patient teaching—interviewing skills (Barnes) 289

### Pediatric Critical Care

Administration of infant formula through the intravenous route: consequences and prevention (Huddleston, Creekmore, Wood) 40  
Cr....C...Cr...W... (Critical care crossword) (Talavina-Pasek) 38  
Phenytoin: it's not just for seizures anymore (Morse, Zeigler) 33

### Pediatric Nursing

A case study: organic acidemia (Mitchell, Steffenson, Hogan) 325  
Avoiding collisions with challenging families (Baker) 97  
Beta<sub>2</sub> agonists and maintenance drugs in the treatment of asthma (Corbett, Yaros) 352  
Infant botulism (Bechler-Karsch, Berro) 275

Menkes Kinky Hair Disease (Martin, McNemar, O'Brien) 162  
Munchausen syndrome by proxy (Smith, Killam) 214

Recognizing depression in the adolescent (Morgan) 148  
Support groups: working side by side with parents (Coffman, Edwards, Piskosz) 281  
Using the Oucher developmental approach to pain assessment in children (Knott, Beyer, Villarruel, Denyes, Erickson, Willard) 314

### Perinatal Nursing (See Pregnancy, High-Risk)

### Personal Liability Insurance

Personal liability insurance (Rhodes) 309

### Phenytoin

Phenytoin: it's not just for seizures anymore (Morse, Zeigler) 33

### Photography

1994 photo contest winners 172

### Postpartum Nursing

An alternative to meet the needs of early discharge: the tender beginnings postpartum visit (Weinberg) 339  
Impressioning: a way to preserve memories (Brown, Kozick) 285  
Short, shorter, shortest: improving the hospital stay for mothers and newborns (McGregor) 91; letter 256

### Pre-Eclampsia

Can aspirin prevent and treat pre-eclampsia? (Hines, Jones) 258

### Pregnancy

Pregnancy, a critical time to target STDs

(Killian) 156

Preventing abuse during pregnancy: an assessment and intervention protocol (McFarlane, Parker) 321

### Pregnancy, High-Risk

Advanced techniques for the treatment of severe isoimmunization (Vomund, Witter) 18  
Can aspirin prevent and treat pre-eclampsia? (Hines, Jones) 258  
Fetal and uterine response during maternal surgery (Kendrick) 165  
High-risk/high reward: collaborative planning for critically ill obstetrical patients (Mullaly, Belgrave, Wentzel) 202  
Supporting family functioning during a high-risk pregnancy (Stainton) 24

### Prenatal Care

Advanced techniques for the treatment of severe isoimmunization (Vomund, Witter) 18  
Can aspirin prevent and treat pre-eclampsia? (Hines, Jones) 258  
Folic acid will reduce risk of neural tube defects (Romanczuk, Brown) 331  
High-risk/high reward: collaborative planning for critically ill obstetrical patients (Mullaly, Belgrave, Wentzel) 202  
Pregnancy, a critical time to target STDs (Killian) 156  
Supporting family functioning during a high-risk pregnancy (Stainton) 24

### Prostaglandins

Prostaglandins: a variety of uses for clinical practice (Corbett, Akin) 128

## R

### Research

Fetal and uterine response during maternal surgery (Kendrick) 165  
How well do enteral feeding pumps perform? (Ferraro-McDuffie, Huddleston, Smith, Karotkin, Gardner) 144  
Instrument construction: part I (Lederman, Worsham) 235  
Instrument construction: part II (Lederman, Worsham) 291  
Involving staff nurses in research: a practical approach (Wilkinson-Faulk, Smith) 193  
Latinas' expectations for their partners during childbirth (Khazoyan, Anderson) 226  
Nursing research: everybody's business (Price, Catania, Eshelman, Mazzaferrri, Tinker, Wesolowski) 9  
Power analysis: part II (Lederman, Worsham) 45  
Sampling design: part I (Lederman, Worsham) 343  
Systematic data collection: I (Lederman, Worsham) 109  
Systematic data collection: II (Lederman, Worsham) 177  
What pediatric hospital nurses know about immunization (Dixon, Keeling, Kennel) 74

### Rh Isoimmunization

Advanced techniques for the treatment of severe isoimmunization (Vomund, Witter) 18

## S

### Self-Help Groups

Support groups: working side by side

with parents (Coffman, Edwards, Piskosz) 281
